

# ITNSarasota News – July 2014

**Back on Track:** As many of you know, we are back on track and have been providing rides again since mid-May. We are very pleased and excited to be able to provide you with the quality transportation services you need and deserve. Rides are available for any purpose and are no longer limited to rides for medical appointments. Call Dawn Swain at the ITNSarasota office at 941-364-7530 to make a ride request.

**Volunteer Drivers Needed:** The key to meeting the needs of our community, keeping the cost of rides down, and providing you with the best possible service is to increase the number of volunteer drivers. All volunteers are reimbursed for their mileage either as cash reimbursement or as credit for their future use, in another rider's account, a donation to ITNSarasota or a donation to the Road Scholarship account. Do you know anyone who would be willing to volunteer to drive a few hours every week or two? If so, have them call Dawn Swain (Executive Assistant) or Arthur Lerman (Executive Director) at 941-364-7530 for more information.

**\$50 Referral Fee:** If someone you refer to ITNSarasota becomes a volunteer driver, you will receive a \$50 referral credit in your membership account. So, please call us with the names and phone numbers of people who you think might be interested in becoming a volunteer driver.

**Free Three-Month Extension of Membership Year:** Recognizing that rides were suspended for three months earlier this year, the ITNSarasota Board of Directors voted to extend the membership year by three months for all renewals that take place in 2014. For example, if you renew your membership in July, your membership will be good thru October 2015 or a total of 15 months. This is one small way for us to reward you for your loyalty to ITNSarasota.

**Write Your Name on Your Check:** Please include your name on the memo line at the bottom of your check. This will ensure that the payment is credited to the correct account. Thank You!
