

## **We Are Growing and Need More Volunteer Drivers**

The word continues to spread about iTNSarasota. We are now providing twice as many rides as we did in March, even though this is supposed to be the slow season. In addition, new members are signing up with us nearly every day. In order to provide the increasing number of rides being requested, we need more volunteer drivers. If someone you know has as little as an hour a month and is looking for a way to make a difference in a person's life, please have them call us at 941-364-7530 to learn more about volunteer opportunities! It is easy and very rewarding!

## **Important Notices About Your Monthly Statement**

You may see some credit adjustments on your monthly statement that we want to explain.

"Transfer Funds from One Customer Account to Another Customer Account – Donation to \_\_\_\_\_, Eye Care Rides". Susan recently went back through our records and found that we had billed some members rather than the Regeneron's Rides in Sight program for some eye appointment rides. As the result, we are providing credits for these rides and billing Regeneron.

"Credit Adjustment to customer's account – Refund Pay Pal Charge". We inadvertently billed a few of you for the amount PayPal charges us to process payments made online at our web site. We are crediting you back that amount.

## **The Giving Challenge – Please Help If You Can**

On September 1 and 2 from noon to noon, the 2015 Giving Challenge sponsored by the Community Foundation of Sarasota County will take place. This is an important and exciting opportunity for us to raise much needed funds. Also, this year through the generosity of The Patterson Foundation, all donations to us up to \$250 per person will be 100% matched. To contribute, go to **[www.givingpartnerchallenge.org](http://www.givingpartnerchallenge.org)** starting on September 1 at 12:00 p.m. noon when the website goes "live" for accepting donations. This website will be "live" for 24 hours, through September 2 at 11:59:59 a.m.

We recognize that some of you are not in the position to make a donation, which is absolutely fine. At the same time, we also know that for some of you a contribution of \$25 or more may be affordable. Please help us so we can continue to help you! Thank You!
